IoT  
SALZBURG

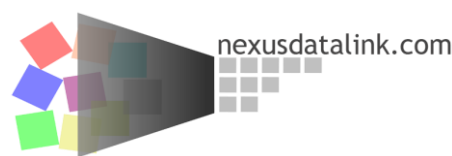

Georg Güntner (Salzburg Research)  
IoT-Talks Januar 2016  
IoT- Salzburg Group

Techno-Z Salzburg, Veranstaltungszentrum, 27.01.2016

- **Welcome-Note** (Georg Güntner, Salzburg Research)
- **Welcome-Note** (Stefan Hupe, IoT Austria)
- **IoT-Talks**
  - **Talk 1: "IoT Devices anbinden: deklarativ, generisch, sicher"**  
(Manfred Nowotny, BfSE GmbH)
  - **Talk 2: "Qualitätssicherung für Drehmoment-Schrauber im IoT"**  
(Hans-Michael Windisch, eMundo GmbH)
  - **Talk 3: "IoT: Der Teufel steckt im Detail"**  
(Dorly Holzer-Harringer, Almendo Technologies GmbH)
- **Get together**

# Die IoT Group Salzburg

## Internet of Things - Industrial Internet - Smart Home Automation

- A group for any professional interested in
  - Internet of Things
  - Smart Home Automation
  - Industrie 4.0
  - Smart City
  - Wearables
  - 3D Printing
  - Robotics
  - Open Source Hardware and Software
  - Hardware Design
  - Software Development
  - Business Models
  - Use Cases
  - Best Practice Cases
  - New projects and startups
- Members [IoT Salzburg](#): 98 (81)  
Members in other IoT groups(\*):  
[Vienna](#): 591 (553); [Paris](#): 4.128 (3.482); [London](#): 7.173 (6.438)  
(\* ) On 26.01.2016 (on 15.10.2015)

## Objectives

- We would like to touch topics like Smart Sensors, Wireless Sensor and Actuator Networks, M2M, Big-Data, Cloud-Services, 6LoWPAN, Bluetooth, MQTT, MQTT-SN, COAP, Widgets, Gadgets, robotics, 3D printing, and so on.
- All skills levels are welcome. We have started this group because to meet other enthusiasts.
- Please join IoT Salzburg and sign in for our IoT Events or suggest your own.
- We are eager to collaborate and network with other IoT meetup groups. Members are welcome to suggest meetups for IoT talks or workshops and organizers will approve and give that member hosting rights for the event. The discussion board is also available for informing people about your events when you do not wish to create a formal meetup event

# Veranstaltungen

## ■ Data Camp Salzburg

- 26.02.2016, 16:00 Uhr – FH Salzburg (Puch-Urstein)
- Information und Anmeldung:  
<http://www.meetup.com/Salzburg-Big-Data-Meetup/events/228004128/>  
(Salzburg Big Data Meetup)

## ■ IoT-Talks Salzburg

- 03.05.2016, 18:00 Uhr – Techno-Z Salzburg
- Information und Anmeldung:  
[www.meetup.com/loT-Salzburg](http://www.meetup.com/loT-Salzburg)
- Besuche uns bei den nächsten IoT-Talks und stelle deine Themen vor!
- Fokus: **IoT im Gesundheitsbereich**
